“We have had remarkable success resolving contentious business litigation cases with Ellen as a mediator over the last 10 years. She has a unique gift in that she is able to draw adverse parties together in a sensible and calm way, and through listening and reasoning, is able to help them reach a positive solution that fits their needs. She is experienced, dedicated to resolving the case, and I recommend her highly.” ***Jennifer Grippa, Attorney at Law, Miller & Martin PLLC***

“Ellen was instrumental in settling a complex commercial case. The parties were very entrenched in their positions and the case seemed to be destined for trial. She worked extremely hard to sort out all of the facts and present them to the parties with a credibility they accepted. I recommend her very highly.” ***Larry S. Burnat, Attorney at Law, Schreeder, Wheeler & Flint, LLP***

“Ellen is very effective at driving compromise. She has a wide range of knowledge and gets straight to the common sense issues for and against a case, and communicates frankly but in a non-confrontational way to clients the reasons they need to resolve their dispute.” ***David Pardue, Attorney at Law, Kaufman, Miller & Forman, P.C.***

“Ellen is a very good mediator. She works hard and in my experience pushes both sides. She is able to gently bond with sensitive clients or be steely tough when need be. I have had a very good success rate of settling cases in Ellen's mediations and would certainly work with her again.” ***Doug Kertscher, Attorney at Law, Hill, Kertscher & Wharton, LLP***

“I have used Ellen numerous times as a mediator for many different types of cases. Ellen is particularly good with cutting through the contentiousness of difficult litigation matters and getting both sides to focus on the business aspect of settling disputes. I would recommend her for just about any kind of case” ***Jason Graham, Attorney at Law, Graham & Penman, LLP***

“Thank you for working so hard to get our case settled. Due to defendant's “no liability” attitude throughout the litigation, I frankly did not think the case would settle. My client thought that you did an excellent job and I agree.” ***David Lilienfeld, Attorney at Law, Lilienfeld, PC***
