"I have mediated multiple cases with Ellen and each time she was not only high on my list, but also on my opposing counsels' list. That speaks volumes because Ellen is neither Plaintiff nor Defendant oriented when it comes to mediation, her only goal is mutual resolution. My cases tend to be business disputes and Ellen helps the parties zone in on the mutual ground and works tirelessly to find enough areas of agreement that resolution becomes inevitable. She is a terrific mediator and I give her my highest recommendation for business disputes."

"Ellen is very effective at driving compromise. She has a wide range of knowledge and gets straight to the common sense issues for and against a case, and communicates frankly but in a non-confrontational way to clients the reasons they need to resolve their dispute." ***David Pardue, Attorney at Law, Parker, Poe, Adams & Bernstein, LLP***

"Ellen is a very good mediator. She works hard and in my experience pushes both sides. She is able to gently bond with sensitive clients or be steely tough when need be. I have had a very good success rate of settling cases in Ellen's mediations and would certainly work with her again." ***Doug Kertscher, Attorney at Law, Hill, Kertscher & Wharton, LLP***
