"I initially worked with Ellen on a case in which I was the Guardian ad Litem and Ellen was the mediator. The facts of the case were extremely sensitive and complicated, and I was thrilled to see how diligent and creative Ellen was in crafting a solution that made both parties feel comfortable. Ellen has proven to be incredibly competent, knowledgeable and helpful as a mediator, and I am particularly impressed with how much effort she is willing to expend in order to settle a case. She has the parties' best interest at heart and will not quit until a resolution is reached, and this is reflected in her success rate." ***Kelly Schiffer, Attorney at Law, Levine & Smith, LLC***
