T "Ms. Malow recently mediated a case involving negligence where liability was admitted and the dispute was over the damages. The main issues were the extent of the injuries and the
E limitations resulting from the injuries. Ellen quickly grasped the key areas in contention. Her
S background in the areas of law was extremely helpful in bridging the gap between the parties.
T She was effective and I recommend her highly. *Ray S. Smith, III, Attorney at Law, Joyce, Thraser, Kaiser, Liss, LLC.*

M "Ms. Malow was well-versed in the facts which gave rise to our lawsuit, as well as the applicable
O law. These qualities helped to earn the respect of the lawyers, and perhaps more importantly, the
N respect of the parties. She also identified a reasonable value early in the process, which was
I critical to the success of the mediation. I recommend her without hesitation." *Charles J. Cole, Attorney at Law, Owen Gleaton Egan Jones & Sweeney, LLP*

L
S "Ellen's ability to quickly analyze the various legal issues at the heart of a dispute and to then effectively communicate to the parties the uncertainties of a trial and the benefits of settlement/pre-trial resolution is remarkable. Clients and attorneys alike trust and respect Ellen - you cannot ask for more when mediating an important matter." *Stuart Sims, Brock Clay Calhoun & Rogers PC*
